### CONGREGATIONAL COUNTY CONVENTION

Little Village of South Duxbury Royally Entertained Visitors and All Felt

Renewed Enthusiasm Following Meeting.

Waterbury, June 8.—Tuesday was an ideal day and nature, combined with the hearty welcome of the people of South Duxbury, made everyone feel at home in the church, where was held the seventh-fifth annual county association of Congregational churches.

In this little church, which has stood since 1854, a signal of light and cheer, were a number of people representing nine of the seventeen Congregational churches in the county. Only four of these, Northfield, Waterbury, Waitsfield and South Duxbury, had their entitled number of delegates. The churches in the association are as follows: Barre, Here East, Berlin, Cabot, Calais, East Duxbury, South, Marshfield, Montpelier, Northfield, Orange, Plainfield, Roxbury, Warren, Waitsfield, Waterbury, Woodbury and Worcester. This is the same number as reported last year.

The devotional service in the morning was conducted by the registrar, Rev. J. B. Sargent of Northfield. The organization was completed by the election of Rev. Frank Blomfield of Berlin as moderator, and D. B. Dwinell of Calais as scribe. A most cordial welcome was given by the acting pastor of the church, Rev. W. A. Remede, with a response by the moderator. The reports of the treasurer and registrar showed a most successful year. A thriving Sunday school has been formed in Calais Center and boy scouts have been organized in Barre and Waterbury.

Rev. S. F. Blomfield of Montpelier, as chairman of the executive board of the advisory committee, said it was the purpose of the committee that we work on as seventeen churches, but as one.

Dr. J. W. Barnett of Barre spoke of the possibility of a small farm, upon which the minister could live who could go to the pastoral churches. He also urged a deeper knowledge of agriculture and horticulture and said: "A minister who can catch the spirit of agriculture can do something." Rev. W. L. Boicourt and D. B. Dwinell spoke along this line. Mr. Dwinell said if the people in the rural communities can be reached, they will respond. Next came dinner, and the tables were loaded with the good things provided by the ladies of the place, and at supper there was even more. People talked of staying to breakfast to make further test of the abundant supplies.

In the afternoon a devotional service was conducted by Mr. Boicourt, Mrs. Mary Ellen presiding at the organ. The roll call was read and the following committees appointed: Resolutions, Rev. W. L. Boicourt and D. B. Dwinell; ministerial standing, Rev. W. A. Remede, H. G. Woodruff of Barre and Rev. D. H. Hilliard of Cabot. The general subject, "The Church Maintained," was treated under the following heads: "The Organization," Rev. Frank Blomfield; "The Plant," (buildings) Rev. J. B. Sargent; "The Finances," Rev. S. F. Blomfield. The history of the organization was shown, a strong plea for keeping the finances good and promptness in finances was urged, but Mr. Blomfield said, "It is the salvation of any church that it has a struggle." The communion sermon was preached by Dr. Barnett and was earnest and strong, from the text, Ps 122:1. The communion service was conducted by Rev. S. F. Blomfield, assisted by Deacons Fiske of Waitsfield and Demeritt of Waterbury.

The evening devotional service was led by the moderator, Mr. Blomfield, Mr. Remede presiding at the organ. Mrs. Demeritt of Waterbury sang "In the Secret of His Presence." The subject, "The Church Maintained," was ably discussed under the heads: "As a Spiritualistic Force," Rev. S. F. Blomfield; "As a Socializing Force," Rev. W. L. Boicourt; "As a Universalizing Force," Rev. J. W. Barnett. One fact was apparent here, as all through the day, that this association had reason to be proud of its pastors, who conducted such a fine meeting without any outside help. All left with a feeling of thankfulness for the deep spiritual tone of the meetings. Those who were present from the Congregational church in this place were Rev. and Mrs. W. L. Boicourt, Mr. and Mrs. B. W. Demeritt and Mr. and Mrs. E. F. Palmer.

The following resolutions were adopted: We, the delegates of the Washington County association assembled, desire to put ourselves on record as follows:

Whereas, we have enjoyed a successful and hopeful annual meeting in this quiet beautiful place, we in resolve that we extend to the people of South Duxbury our sincere thanks for their hospitality and the spirit they have shown in their work here. We appreciate not only the earnestness of those present, but also the zeal of those who in the past have made possible this building and the establishment and continuance of the services in this place.

Whereas, some of our churches are without pastors and find it difficult if not impossible, nor in the immediate future to support a separate minister for each church, be it resolved that we strongly recommend that where necessary, two or more churches unite and work together in supplying a strong man.

It is further resolved also, that we pledge ourselves with increased enthusiasm and devotion to the conception of Washington county, not as seventeen separate parishes, but as one common field with co-workers.

Whereas, the apportionment plan has been so generally successful all over the country in increasing gifts to our seven benevolent societies, be it resolved, that we urge the churches in our association to meet their apportionment in full.

Whereas, we learn with regret of the loss our state is soon to bear in the resignation of our state missionary, Rev. Wilson Reed Stewart, to take up similar work in another state, resolved, that we, the pastors and delegates assembled in this county association, do express to him our hearty thanks for his faithful and efficient services in this county and we wish him God speed in his new field of labor.

How a Barre Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures.

Barre people testify. Here's one case of it:

Mrs. Anna Gibbs, 31 Brooklyn St., Barre, Vt., says: "For over a year I had more or less backache, as the result of disordered kidneys. If I brought a strain on the muscles of my back, sharp pains seized me and I was also annoyed by headaches and dizzy spells. Whenever I overworked or caught cold, my suffering was worse. I had read a great deal about Doan's Kidney Pills and deciding to try them, I procured a box at Drown's Drug store. Before I had finished the contents, the pains in my back were relieved and I felt better in every way. I am only too glad to recommend Doan's Kidney Pills." (Statement given Nov. 10, 1905.)

### Re-endorsement.

Mrs. Gibbs was interviewed on May 25, 1911, and she said: "I value Doan's Kidney Pills as highly as ever and can still give them my recommendation. I have had no serious attacks of kidney trouble since giving my former statement."
